

George L. Yoakum

**From:** Lea Yoakum, Saturday, March 10, 2007

I wanted to let you know that my father, George L. Yoakum, age 86, passed away on March 1. He had been battling cancer for 4 years. He was a P-47 pilot in WWII and was part of the 356th squadron.

He lived in Cadiz, Ky, with his wife of 13 years, Wanda. He had one child... me, Lea Ann Yoakum, and two grandchildren, Shawna and Jimmy Cornell.  
Thank you.
